

Product Details

Modular data plugs to accept a wide range of data and communication cables for both solid & stranded wires from 28 to 24 awg.

Body material	Polycarbonate UL94V-0
Contact	Gold plated phosphor bronze
Voltage	150Vac max.
Current	1.5A
Insulation Resistance	500MΩ min.
Durability	1000 mating cycles

Specifications

<input type="checkbox"/> Gender	Male
<input type="checkbox"/> Number of Ways	6P6C
<input type="checkbox"/> Mounting Type	Cable Mount
<input type="checkbox"/> Orientation	Straight
<input type="checkbox"/> Contact Material	Phosphor Bronze
<input type="checkbox"/> Contact Plating	Gold
<input type="checkbox"/> Length	9.65mm
